Stat. §299C.60 *et. seq.* ("Act") or other background checks as allowed by law. The offer of employment shall be conditioned upon a determination by the District that an applicant's criminal history does not preclude the applicant from employment with the District. If an applicant has resided in a state other than Minnesota, s/he will also be requested to consent to a Federal Bureau of Investigation ("FBI") background check.

In addition, if the District knows or has reason to believe that a current employee or volunteer has a criminal conviction that was not previously disclosed to the District by the current employee or volunteer, that individual will also be requested to consent to a background check(s) as described above. The District specifically reserves any and all rights it may have to conduct criminal background checks regarding current volunteers, applicants, or employees without the consent of such individuals.

Adherence to this policy by the District, its employees and job applicants or others shall in no way limit the District's right to require additional information or to use procedures currently in place or other procedures to gain information concerning criminal activities of employees and applicants.
