

Career Café

Career café is an opportunity for 5th grade students to learn about careers!

Students in 5th grade will take career interest inventories and will be able to attend career café to learn about careers they would be interested in. Speakers will give a presentation about their career journey during the students' lunch time for about 20 minutes.

I am looking for volunteers who could come speak about their career journeys with our students!

Career Café is hosted by Elizabeth Hall International Elementary school counselor, Jessica Lambrecht.

If YOU are interested, please contact me at Jessica.lambrecht@mpls.k12.mn.us or 612-668-2674.
