### High School Volunteer Opportunities

The greatest need in our high schools is for academic support. We are especially looking for people with strong background knowledge in a specific subject area, such as writing, math, or science. We ask that you commit to 2-4 hours a week, for either a semester (September-January or February-June) or an entire school year. Specific volunteer opportunities at the different high schools are listed below, as well as contact information for each school.
