

## Do you want to volunteer with the Minneapolis Public Schools?

We are excited to offer you a **great opportunity** this year to partner with our schools and make an impact in the lives of our students!

Recently, the Minneapolis Public Schools introduced a new **literacy curriculum** used by all students in kindergarten through 3<sup>rd</sup> grade throughout the district. **We need you** to help our kids succeed!

### You will:

- Be trained as a skilled **Literacy Tutor**
- Serve in classrooms during literacy instruction at a Minneapolis public elementary school.
- Assist students with building crucial literacy skills.
- Be part of our commitment to having all students at or above grade level and ending the achievement gap once and for all.

### Benefits:

- A 2 hour District Orientation on learning styles, how to respond to the needs of our students, and district policies.
- A 2 hour K-3<sup>rd</sup> grade Literacy Tutor training on how to support the literacy curriculum, the in-class Literacy Workshop model, and general tips for helping students become strong readers, writers, and thinkers.
- Placement in one of our 38 elementary schools throughout Minneapolis.
- Ongoing support.
- Strong resume-enhancing opportunities!
- Satisfaction in knowing that you're helping to make a difference in the lives of our students!

### Commitment:

- Commit to weekly classroom tutoring sessions of 1.5 – 2 hours
- Pass a background check and have references.
- Fill out an evaluation at the start and end of your tutoring experiences.
