Volunteer to be a History Day Judge!

National History Day in Minnesota promotes in-depth research and critical analysis for students in grades 6-12. Students explore historical topics through projects ranging from performances, exhibits and documentary films to websites and research papers. This year's History Day theme is **Exploration, Encounter, Exchange in History**.

Judging for History Day is a great way to connect with students and help them improve their abilities. Volunteers are a vital part of making History Day happen. Support students in your area at one of 13 regional events or State History Day:

Minneapolis Public Schools District History Day:

Saturday, March 12, 8:00 a.m. - 2:00 p.m.
North High School, Minneapolis

As a judge you will:

- Review entries in your preferred category
- Evaluate the work of young researchers
- Provide written feedback to students about their projects
- Select projects to advance to state competition

All volunteers must register in advance and attend a judge orientation the morning of the event.

Last year, more than 25,000 students from across Minnesota completed History Day projects.
